3. The Trust and its affiliates maintain physical, electronic, and procedural controls in keeping with U.S. federal standards to reasonably safeguard the Trust’s nonpublic personal information relating to investors.

C. Representations and Warranties of the Subscriber

As an inducement to the Trust to approve the sale to the Subscriber the Shares for which it has subscribed, the Subscriber represents and warrants to the Trust as follows:

1. The Subscriber has received a copy of the Trust's Memorandum, and has subscribed for and will hold all Shares subject to the terms of the Memorandum, Purchase Agreement, and Trust Agreement. The Subscriber has read and understands the Memorandum. In making this subscription, the Subscriber has not relied on any information (whether oral or written) that is inconsistent with the information contained in the Memorandum, the Purchase Agreement, or the Trust Agreement.
2. The Subscriber has reviewed and meets the applicable investor suitability and eligibility requirements set forth in the Memorandum under "Suitability Standards". Subscriber is an "Accredited Investor" as defined by Rule 501 of Regulation D under the Securities Act of 1933, as amended (the "Securities Act").
3. The Subscriber represents that all the information set forth herein regarding the Subscriber (including, but not limited to its financial position), is correct and complete as of the date of this Subscription Agreement, and if there should be any material change in such information prior to the Subscriber becoming a shareholder of the Trust, the Subscriber will immediately furnish such revised or corrected information to the Trust.
4. The Subscriber is acquiring Shares for its own account for investment and not with a view to the resale or distribution thereof.
5. Investment in the Trust is speculative and includes the risks summarized under "Risk Factors" in the Memorandum. The Subscriber is able to afford the risks of an investment in the Trust, which include illiquidity and the potential disruption or loss of income, or principal, or both.
6. The Subscriber understands that restrictions on the transfer, sale, hypothecation, or encumbrance of the Shares are required by various provisions of law, including the federal securities laws, tax requirements and ERISA, among others, and the provisions of the Declaration, including requirements to permit the Trust to qualify as a real estate investment trust under the Code (a "REIT") that Shares must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months (other than the first year for which an election to be a REIT has been made) or during a proportionate part of a shorter taxable year, and not more than 50% of the value of the outstanding Shares may be owned, directly or indirectly, by five or fewer individuals during the last half of a taxable year. Subscriber represents that the acquisition of the Shares will not, and Subscriber agrees that Subscriber will not transfer, or attempt to transfer, any Shares, and that the Trust may refuse to permit such transfer, if the transfer could, result in any violation of the restrictions on ownership and transfer of Shares set forth in the Declaration, including the requirements that (i) no person or entity may beneficially own, or be deemed to own by virtue of the applicable constructive ownership provisions of the Code, more than 9.8% (in value or by number of shares, whichever is more restrictive) of our outstanding common shares of all classes and series or (ii) Benefit Plan Investors (described below) may not own 25% or more of any class of Shares. An authorized transferee will be required to complete, execute, and deliver a subscription agreement and agree to be bound by its terms. Any attempted transfer of Shares in violation of this Section shall be null and void.
7. The Subscriber agrees to furnish the Trust with any information, representations and forms as shall reasonably be requested by the Trust or the Trustee from time to time to assist it in complying with any applicable law or tax requirements or determining the extent of, and in fulfilling, its withholding obligations. The Subscriber agrees to furnish the Trust with any representations and forms as shall reasonably be requested by the Trust to assist it in obtaining any exemption, reduction or refund of any withholding or other taxes imposed by any taxing authority or other governmental agency upon the Trust or amounts paid to the Trust. The Subscriber represents that it has provided the Trust with a completed and executed Form W-9.
8. The Subscriber has sufficient knowledge and experience in financial matters so as to be capable of evaluating the merits and risks of purchasing Shares and is able to bear the economic risk of such investment, including a complete loss. In this regard, the Subscriber acknowledges that an investment for Shares will be illiquid and that there is no guarantee that the Trust may offer to repurchase its Shares periodically as described in the Memorandum, it is not required to do so and may limit the amounts repurchased. The Subscriber has determined that the Shares subscribed for are a suitable investment. The Subscriber understands that it must bear the economic risk of an investment in the Trust for an indefinite period of time and represents and warrants that it can bear the economic risk of losing its entire investment in the Trust. The Subscriber understands that an investment in the Trust is illiquid and there is presently no public market for Shares (nor is it anticipated that any public market for such Shares will develop). The Subscriber's overall commitment to the Trust and other investments that are not readily marketable is not disproportionate to the Subscriber's net worth and the Subscriber has no need for immediate liquidity in the Subscriber's investment in Shares.
9. If the Subscriber is not a natural person, the Subscriber is duly organized, validly existing, and in good standing under the laws of its jurisdiction of organization and has the power and authority to enter into this Subscription Agreement and each other document required to be or otherwise executed and delivered by the Subscriber in connection with this subscription for Shares, and to perform its obligations hereunder and thereunder and consummate the transactions contemplated hereby and thereby, and the person(s) signing this Subscription Agreement on behalf of the Subscriber has been duly authorized to execute and deliver this Subscription Agreement and each other

document required to be or otherwise executed and delivered by the Subscriber in connection with this subscription for Shares. If the Subscriber is an individual, the Subscriber has all requisite legal capacity to acquire and hold the Shares and to execute, deliver and comply with the terms of each of the documents required to be executed and delivered by the Subscriber in connection with this subscription for Shares.

10. The execution and delivery by the Subscriber, and compliance by the Subscriber with this Subscription Agreement and each other document required to be executed and delivered by the Subscriber in connection with this subscription for Shares does not conflict with, or constitute a default under, any instruments governing the Subscriber, any law, regulation or order, or any agreement to which the Subscriber is a party or by which the Subscriber is bound. This Subscription Agreement is valid and binding on and enforceable against the Subscriber in accordance with its terms.

11. If the Subscriber's subscription for Shares is accepted, the Subscriber will execute and/or supply any additional documentation or information that the Trustee, a placement agent or the Trustee determines is reasonably required to determine suitability and/or eligibility to acquire and hold Shares.

12. The Subscriber has read and agrees to the terms of the Privacy Notice included herein as Section 8 Subsection B ("Privacy Policy"). The Subscriber understands that all information provided in connection with the Trust is confidential and proprietary and may include trade secrets and other commercially sensitive information. The Subscriber agrees that it will not disclose or use any of the information provided in connection with the Trust or the subscription of Shares, or permit any of its representatives or advisors to disclose or use such information, unless it has received the prior written consent of the Trust.

13. The Subscriber has not ever filed (or had filed against Subscriber) a petition under the federal bankruptcy laws or any state insolvency law or had a receiver, fiscal agent or similar officer appointed by a court for your business or property; has not filed any litigation or had any litigation filed against Subscriber at any time during the last five years; is not a party to any pending litigation; and is not in the process of being charged and/or has not been convicted or had any partner in a management or principal ownership role been convicted of or charged with a criminal act or been the subject of a pending criminal proceeding (excluding traffic violations and other minor offenses). If any of the prior statements are not true of Subscriber, Subscriber must notify Trust and provide details PRIOR to proceeding with an investment in the Offering.

14. The Subscriber understands that the Shares have not been registered under the laws of any jurisdiction (including the Securities Act, the laws of any state of the United States of America or the laws of any foreign jurisdiction), nor is such registration contemplated. The Subscriber understands and agrees further that the Shares may not be offered, resold, pledged or otherwise transferred unless they have been registered under the Securities Act and any applicable state or other securities laws or unless an exemption from such registration is available. Even if such an exemption is available, the assignability and transferability of the Shares will be governed by the Declaration and this Subscription Agreement, which imposes other substantial restrictions on transfer. The Subscriber understands that legends stating that the Shares have not been registered under the Securities Act and any applicable state or other laws and setting out or referring to the restrictions on the transferability and resale of the Shares will be placed on documents evidencing the Shares, if any.

15. If the Subscriber is a "Benefit Plan Investor" as defined in Section 4 of ERISA, which includes, for example, tax-qualified pensions, stock bonus or profit-sharing plans, employee benefit plans described in Section 3(3) and subject to Title I of ERISA, annuities described in Section 403(a) or (b) of the Code, a Keogh Plan, an individual retirement account or annuity described in Sections 408 or 408A of the Code, an Archer MSA described in Section 220(d) of the Code, a health savings account described in Section 223(d) of the Code, a Coverdell education savings account described in Section 530 of the Code, or entities deemed to hold "plan assets" of any of the foregoing, the Subscriber has so indicated in Section 4 hereof. If Subscriber is a Benefit Plan Investor, Subscriber (i) acknowledges that the person causing the Subscriber to purchase Shares (a "Plan Fiduciary") has exercised independent judgment in evaluating for itself the merits of such investment, and (b) the Plan Fiduciary has not solicited and has not received from the Trust, the Trustee or any of their respective affiliates any evaluation or other impartial investment advice on any basis in respect of the advisability of this or any other investment in light of the plan's assets, cash needs, investment policies or strategy, overall portfolio composition or plan for diversification of assets, and it is not relying and has not relied on any such persons for any such advice and (ii) represents that neither the execution and delivery of this Subscription Agreement nor the purchase or holding of the Shares constitutes a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code. The Plan Fiduciary (i) is a "fiduciary" within the meaning of Section 3(21) of ERISA or Section 4975 of the Code; (ii) is responsible for the Subscriber's decision to purchase Shares; (iii) is capable of evaluating investment risks independently, both in general and with regard to the Subscriber's purchase of Shares; (iv) is independent of the Trust, the Trustee and any of their respective affiliates; (v) is qualified to make such investment decision; and (vi) if the Subscriber is an "individual retirement account" or "individual retirement annuity" within the meaning of Section 408 of the Code, is not the owner of such "individual retirement account" or "individual retirement annuity" or a relative thereof.

D. Indemnification for Subscriber's Misrepresentations or Failures to Perform

1. Subscriber shall indemnify, defend and hold harmless the Trust, Trustee, ExchangeRight Real Estate, LLC (the "Sponsor"), and all of their respective limited partners, general partners, members, managers, officers, directors, affiliates, representatives and advisors from any and all damages, losses, liabilities, costs and expenses (including reasonable attorneys' fees and costs) that they may incur by reason

of Subscriber's failure to fulfill all of the terms and conditions of this Subscription Agreement or by reason of the untruth or inaccuracy of any of the representations, warranties or agreements contained herein or in any other documents Subscriber has furnished to any of the foregoing in connection with the transactions described herein. This indemnification includes, but is not limited to, any damages, losses, liabilities, costs and expenses (including reasonable attorneys' fees and costs) incurred by the Trust, Trustee, Sponsor or any of their respective general partners, limited partners, members, managers, officers, directors, affiliates, representatives or advisors defending against any alleged violation of federal or state securities laws which is based upon or related to any untruth or inaccuracy of any of the representations, warranties or agreements contained herein or in any other documents that Subscriber has furnished to any of the foregoing in connection with this transaction.

2. The Subscriber certifies that: (i) the Subscriber's name, taxpayer identification or social security number and address provided in this Subscription Agreement are correct; and (ii) the Investor will complete and return with this Subscription Agreement an Internal Revenue Service Form W-9, Request for Taxpayer Identification Number and Certification.

3. All representations, warranties and covenants of the Subscriber contained herein shall survive the acceptance of this subscription.

E. Patriot Act Compliance

As a material condition of investing in the Trust, and without limiting the other provisions of this Subscription Agreement, each Subscriber represents, warrants, covenants and agrees with, and certifies to, the Trust as follows (collectively, the "Patriot Act Compliance Provisions"):

1. Subscriber, and any direct or indirect beneficial owner of Subscriber, has not committed any Patriot Act Offense. "Patriot Act Offense" means any violation of any of the following (collectively, "Applicable Laws") (a) the Patriot Act¹; or (b) the federal criminal laws of the United States of America or the state criminal laws of any state or that would be a criminal violation if committed within the jurisdiction of the United States of America or any of such states, relating to terrorism or the laundering of monetary instruments; or (c) the requirements of any Executive Order² or OFAC (Office of Foreign Assets Control) Laws and Regulations³; or (d) crimes of conspiracy to commit, or aiding and abetting another to commit, any Patriot Act Offense.

2. Legal Source of Funds: The funds invested by Subscriber in the Trust, and all funds received, directly or indirectly, by Subscriber from any direct or indirect beneficial owner of Subscriber, are derived from legal sources and without violation of Applicable Laws.

3. Identity of Subscriber: Subscriber, and any direct or indirect beneficial owner of Subscriber, (i) is not listed on any Governmental Lists⁴, or a person who acts for or on behalf of, any person, group or entity on the Governmental Lists; or (ii) is not a person who has been determined by competent authority to be subject to the prohibitions contained in any Executive Orders, including without limitation being a person designated under Section 1(b), (c) or (d) of Executive Order 13224; or (iii) is not and has not in the past been under investigation by

any governmental authority for, or has been charged with or convicted of, any Patriot Act Offense, or assessed civil penalties under Applicable Laws or related laws, or subject to seizure or forfeiture of its funds in any action under Applicable Laws or related laws.

4. Prohibited Activities: Subscriber, and any direct or indirect beneficial owner of Subscriber, has not been, and will not in the future be (i) a person who is located in a country with which dealings are prohibited or restricted by the United States federal government; (ii) dealing in a prohibited manner with a country or person or entity in a country with which dealings are prohibited or restricted by the United States government; or (iii) a person who commits a Patriot Act Offense.

5. Consent to Disclosure of Information: Subscriber consents to the Trust performing a search of applicable Governmental Lists prior to acceptance of any subscription for Shares, which search may be performed by a third party. Subscriber shall provide to the Trust prior to acceptance of its subscription, and from time to time thereafter as requested by the Trust, all information reasonably required by the Trust to establish compliance with these Patriot Act Compliance Provisions.

6. Notice of Violation: Subscriber shall immediately notify the Trust in writing of the relevant facts and circumstances if any representation or warranty set forth in these Patriot Act Compliance Provisions is no longer true or accurate in any respect, including becoming a person who is listed on any of the Governmental Lists, or who has become a designated person pursuant to any of the Executive Orders, or who is under investigation by any governmental entity for or has been charged with or convicted of, any Patriot Act Offense.

7. Further Restriction on Transfers: Without limiting any provisions in the Declaration of Trust or the Bylaws of the Trust, it is further agreed that no transfer of any direct or indirect interest in the Trust, or of the equity or other beneficial ownership interests in any Subscriber that is an entity, shall be effective until the transferee has provided a written certification by the transferee to the Trust that the transferee shall be bound by, subject to and shall comply with all of the Patriot Act Compliance Provisions set forth in this Section 8 Subsection E.

8. Indemnification and Consequences of Breach: Subscriber acknowledges that Subscriber understands the meaning and legal consequences of the representations, warranties and covenants of these Patriot Act Compliance Provisions set forth in this Section 8

Subsection E, and understands that the Trust has relied upon such representations, warranties and covenants, in connection with any sale of Shares pursuant thereto and Subscriber hereby agrees to indemnify and hold harmless the Trust, the Trustee and their affiliates and their officers, managers, controlling persons, agents and employees, from and against any and all losses, damages or liabilities due to or arising out of a breach of any representation, warranty or covenant made by Subscriber herein (including losses, damages or liabilities under agreements with lenders or mezzanine financiers to and/or equity partners). Without limiting the foregoing, in the event of a breach by Subscriber (or its successors and assigns) of any of the representations, warranties, covenants and agreements set forth in these Patriot Act Compliance Provisions, the Trust shall have, in addition to and without limiting all of the rights and remedies otherwise available at law or in equity, the right to purchase Subscriber's Shares for cash at a purchase price equal to the lesser of (a) 70% of the purchase price of the Share and (b) 70% of the NAV of such Shares (as determined in accordance with the Memorandum), regardless of the current fair value of the Shares or the Trust's assets.

9. Acknowledgement of Terms: Subscriber understands and acknowledges that these Patriot Act Compliance Provisions are fair and reasonable in light of the Trust's business and operation, and that they (i) are a material condition precedent of the Trust's acceptance of Subscriber's subscription; (ii) are in addition to the other representations, warranties, covenants and agreements set forth in this Subscription Agreement (and to the extent of a conflict, the terms of these Patriot Act ComplianceProvisions shall control); (iii) shall survive the Trust's acceptance of Subscriber's subscription; and (iv) shall be binding upon Subscriber's successors and assigns.
